Dear Judges Council President,

Your annual President's Report is attached. **Return your completed form before February 1, to the person whose name is at the top of the report form.** Please do not mail the form to the state president. Please return page ii to Headquarters by March 1st.

The report covers the calendar year of January 1, 2010 through December 31, . This report needs no binder; please do not attach any newspaper articles or photos nor add additional pages to the report form.

This report will help your director, state officers and president to know of projects and activities throughout the state. This form may change each administration as the projects of national and state change. It is a specific goal of this administration to share ideas with all clubs – projects, unique programs, membership, field trips/pilgrimages, and ways & means ideas. Your reports will be studied and the information will be shared through *The Lone Star Gardener* and/or through headquarters brochures.

District awards may be offered by your district for the best President's Report in each category. If you do not wish to compete, then mark "Not for competition" but submit your report anyway. Your district director will compile the information and send the best reports to the TGC President's Reports Chairman no later than March 1st for further evaluation.
