TEXAS GARDEN CLUBS, INC. AWARDS BROCHURE

This brochure lists awards offered by National Garden Clubs, Inc., Texas Garden Clubs, Inc. and South Central Region. Member Garden Clubs, Councils, and Affiliates are encouraged to apply for awards. 1995-97 NGC Awards, Chairman Gerry St. Peters explained that “Receiving a prestigious NGC award is one of the highest honors to be achieved. Recognition creates pride and encourages members to further their efforts.” The excellent work of our clubs and members should receive recognition by fellow members at District, State and National levels.

To be eligible to apply, garden clubs must be federated with Texas Garden Clubs, Inc. and Councils/Forums/Federations and Plant Societies must be Affiliate Members. Individuals must be members of a federated garden club.

Most awards are submitted through the Districts for competition, and if eligible the awards are forwarded to State. If a National Award is offered and the award is eligible, then the award will be forwarded to National Chairman for further competition.

The emphasis of this brochure is to encourage clubs to compete for awards - for competition brings spirit and pride and to prepare those eligible awards to meet the requirements for State and NGC awards.

National Garden Clubs Rules and Awards are published in the Fall issue of *The National Gardener* in odd-numbered years; changes and/or corrections are published in the even-numbered years. Changes in rules and award requirements published in *TNG* will take precedence over this Awards Brochure.

Texas Garden Clubs also offers some awards exclusively for our organization. These state awards are titled with “TGC” and are found in this Awards Brochure. Changes in TGC awards are published in *The Lone Star Gardener*; revisions are made available from TGC Headquarters and can be added to brochure. Separate brochures available from TGC Headquarters: Club Programs, Club Ratings, Flower Shows, Scrapbooks, and Yearbooks, are more detailed in preparing and judging these specific awards. Youth Awards are also covered in more detail in a separate brochure.

South Central Region Awards are applied for **separately**. The Awards and Rules are published in the summer edition of *The Communicator* and in this brochure. Changes in rules and award requirements published in *The Communicator* will take precedence over this Awards Brochure. The awards are submitted directly to the South Central Awards Chairman **before** the February 1 deadline. **All the SCR Awards have been placed together in the last section of this brochure.**

GUIDELINES FOR JUDGING AWARDS

1. Immediately upon receipt of awards, check to be certain each is entered in the correct category.
2. Secure a panel(s) of a minimum of 3 judges, some may be specialists in the field related to the award rather than all garden club members.
3. Be certain the panel understands the award rules, description, and Scale of Points. If entry is not worthy, award should be withheld. Clarify if there is a rule violation that removes the application from consideration.
4. Winners must be kept secret until after awards presentation.
5. Do not write on pages in Book of Evidence; use the comment sheet.
6. Do not deduct points for anything not specifically in the Scale of Points. If points are deducted for omission, be sure the omission was not inadvertently overlooked by the panel.
7. Comments are required and should encourage and educate. Start with complimentary remarks before explaining how application needed improvement. Give careful thought to wording; comments should help the club in sending in their next application. Explain why points are deducted.
8. The Standard System of Awarding is used:

First Place	90 or above	Second Place	85 or above
Third Place	80 or above	Honorable Mention	75 or above
9. Please, no tie scores. Only one First Place, one Second, one Third, then all awards scoring over 75 are awarded Honorable Mention. (ex. First Place could score 99, Second 93, Third 84, HM 81, HM 79. If there is only one entry with a score of 80, it would receive Third Place). If scores are too close, OK to allow ties on honorable mentions.
10. District Chairman: send **first place** entry in each size category to State Chairman and list all others that score 95 or above, on report form to State Chairman.
 - Division I – Single Member Clubs
 - Category A
 - Class i small club - 29 members or less
 - Class ii medium club - 30 – 59 members
 - Class iii large club - 60 – 99 members
 - Class iv ex-large club - 100 members +
 - Division II – District, Council and Forums
 - Category B
 - Class 1 - 4 clubs or less
 - Class 2 - 5 – 20 clubs
 - Class 3 - 21 – 50 clubs
 - Class 4 - over 50 clubs
 - Division III - Affiliates
11. Do not mail awards that are not eligible for state awards to state chairmen or TGC VP/Awards. Each District’s procedure may vary; Books of Evidence and entries are usually returned to the member clubs at the District Spring Convention or by using the enclosed postage.

12. Do not mail awards that are not eligible for NGC awards to TGC/National Awards Chairman or TGC Vice President/Awards. TGC Chairmen bring the Books of Evidence to the TGC Spring Convention and they are placed in the Exhibits Room for members to see. At the conclusion of the convention, the awards are distributed to the District Directors to return to the member clubs.
13. **Deadlines** are important! Awards must be forwarded promptly from District to State as State Chairmen have little time to forward eligible entries to the TGC/National Awards Chairman.

**ADDITIONAL GUIDELINES FOR STATE CHAIRMEN JUDGING
AWARDS ELIGIBLE FOR NATIONAL AWARDS**

1. **Observe the deadlines.** Entries must be mailed no later than December 15 to the TGC/National Awards Chairman! The TGC/National Awards Chairman must process and mail the awards to the NGC Awards Chairman no later than **January 3** to be assured of on-time arrival.
