Good Day M/M Name,

It has come to my attention, as the Membership Chair, that perhaps your organization, NAME OF ORGANIZATION, would be interested in joining, as an Affiliate, our organization. It would seem there are many of our members that have both TYPES OF PLANTS and knowledge in the Culture and would love to share with your group the pleasures in being more involved with your members. Our membership share their plants, knowledge and interests with numerous individuals, other organizations and communities-at-large in the hope all of us will benefit from this union. We would love for you and your members to join us for some of our activities as we expect many of our members look forward to attending your various functions. There are several advantages to being an Affiliate to Texas Garden Clubs, Inc. (TGC): Reduced Ad costs in our Publications, greater communication/knowledge between both groups and added support in promoting/ achieving one's agenda/goals within the community.

I have included an Application Form for you to present to your organization for their consideration. And please, if you have any questions feel free to contact me.

In addition, if you require a Contact Person for 'Local Garden Club Reference/sponsorship', may I suggest emailing our District Director NAME OF DIRECTOR/DISTRICT #, EMAIL: PLACE EMAIL ADDRESS HERE

Thank you for your time and Happy Gardening!
